Natick Is United invites you to participate in our Annual Fall Meeting taking place Thursday, November 19th on Zoom.

It is no secret that we live in a country that is deeply divided on race. Racism exists everywhere, and Natick is no exception. So we are coming together to dialogue about what Natick Is United should be doing to improve relations within our own town.

We will also have an opportunity to discuss the Equity Task Force, and by applying a racial justice lens, come up with some recommendations for areas we would like the Task Force to focus on.

Your opinions matter, and we hope you will join us for this important conversation! Please visit [natickisunited.org](https://www.natickisunited.org) to register and receive the meeting link.
