If approved, Town Meeting Article 16 will establish a committee to bring a report and recommendation to a future Town Meeting for a new or revised Town seal. This Zoom meeting will be an opportunity for Town Meeting members to learn more and ask questions, since Town Meeting will be under unusual time pressures this fall with less opportunity than usual for questions and debate. The public is welcome to attend this meeting, although registration is required. For additional information provided by the Article 16 sponsors to Town Meeting members, see bit.ly/NatickTownSeal.
